

# FOOD PARCEL CHANGES!! FROM JANUARY 2022

## Why we need the changes

As many of you will have noticed demand for food parcels has increased over the last few months

## One Parcel only per person

Many local community members are missing out so to make things fair we can only supply one parcel per person.

## Eligibility by suburb

Local need is so high that now we will only supply parcels to residents of the following suburbs:

- Broadmeadows
- Dallas
- Jacana
- Glenroy
- Campbellfield
- Meadow Heights
- Coolaroo

## Health Care, Pensioner or Refugee's

We will need to check your Health Care card, Pension or Immi Cards to prove eligibility and suburb residence, we will accept people who have submitted applications.

## Bookings

All parcels must be booked in on Thursday each week for the following week, in person or via phone 9302 2131, people booking after Thursday will be waitlisted.

**Thank you** for your understanding. We would dearly love to help everyone but don't have the capacity so we need to focus on helping people in our immediate community.
